

Installation Instructions

Cat. No. DD1616 Deal Drawer

INSTALLATION INSTRUCTIONS USING MECHANICAL FASTENERS

(See Other Side For Installation Using Silicone Sealant)

1. Cut hole in counter using Cutout Detail.
2. Attach 1x4's or 2x4's vertically on the back and both sides of the cutout.
3. Slide the deal drawer out and drill (4) holes in the sides and back per drawing.
4. Slide the deal drawer in the cutout and secure with appropriate size screws.
