

# Oversized Transaction Drawer

**NEW**

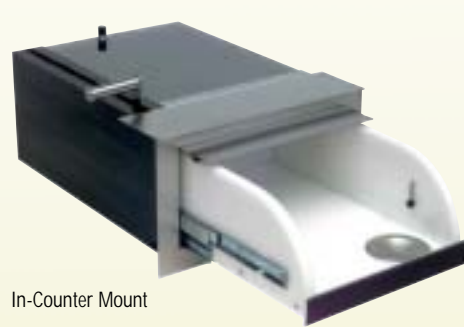

PROTECTION LEVEL

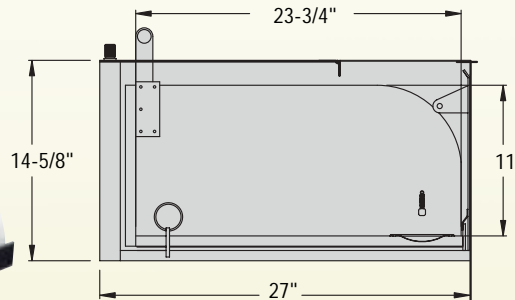

- Popular Thru-Wall and In-Counter Models
- Level 1 Bullet Resistant Protection

Offering the same features as our Large Capacity Transaction Drawer, we have designed an even larger Transaction Drawer to allow the passing of larger items and appropriately name it our Oversized Transaction Drawer.

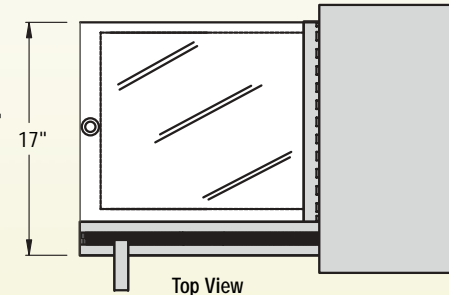

Available as a counter-mount or a thru-wall installation, this drawer fits a variety of applications including banks, convenience stores, fast food restaurants, pharmacies and more. Push button latch keeps drawer lid locked when closed. Inside measurements of drawer are 12-7/8" wide x 23-3/4" deep x 11" high.
